THE FINAL COUNTDOWN
EUROPE

[Intro]

[Vers 1]

We're leaving together
But still it's farewell
And maybe we'll come back
To Earth, who can tell?

[Pre-Tornada 1]

I guess there is no one to blame
We're leaving ground (leaving ground)
Will things ever be the same again?

[Tornada 1]

It's the final countdown
The final countdown

[Vers 2]

Oh, we're heading for Venus
And still we stand tall
'Cause maybe they've seen us
And welcome us all, yeah

[Pre-Tornada 2]

With so many light-years to go
And things to be found (to be found)
I'm sure that we'll all miss her so

[Tornada 2]

It's the final countdown
The final countdown

The final countdown
Oh, oh-oh-oh

[Solo]

[Pont]

The final countdown
Oh-oh

[Tornada Final A]

It's the final countdown
The final countdown

The final countdown
Oh-oh

[Tornada Final B]

It's the final countdown
We're leavin' together
The final countdown
We'll all miss her so

It's the final countdown
Oh-oh, oh-oh-oh
